President's Report

Thank you to all Coaches, Committee members, players and their families for another successful season. A big thanks to Belmont 16 Footers for being our major sponsor for 2024, Newpave, Access Automation, Brad Russell Building, Redhead Bakehouse, Guzman Y Gomez Belmont and McDonalds for our player of the week vouchers.

Over recent years, our club has grown greatly in numbers and 2024 was no different. This year we had 25 teams in the Lakeside competition. Our junior players have done themselves proud this season with their results and the way they represented the club.

Coaches - Thank you for your hard work this season it has showed in the number of teams that have made finals for the 2024 season, your hard work doesn't go unnoticed, as without you our girls wouldn't be playing!

Congratulations to all players that represented BNNC this year in gaining selection in Lakeside Representative teams - job well done.

Umpires - Without you we wouldn't be able to play the game. Congratulations to all that got higher badging this year. Keep up the good work.

Thank you to all Committee members for you time and effort in the 2024 season. Alot of hard work goes on behind the scenes to make BNNC a successful club.
